Peter Tiffin ***Welcomes you to*** ***Stebonheath Park***

Croeso I Stebonheath Park, welcome to Stebonheath Park.

Today at Stebonheath we have a very busy day ahead, firstly the Llanelli knights play Torfaen Tigers in their season opener. The knights staff haven't had long with their squad but I'm looking forward to seeing the boys play their first ever fixture. Following this we take on Oldham in our Betfred League 1 fixture.

It's great to see two games in one day at the ground and we wouldn't be able to do this without our fantastic ground staff who work tirelessly through the week to make Stebonheath one of the top grounds in the area.

After last weekend's performance against Doncaster the conversations in meetings this week have been a lot different, ok the score line may still be quite high but we all have a clear vision on where we want to be and what we need and want to do to make the club a stable and successful one.

It's also super league magic weekend and the bar will have all the games on for everyone to enjoy so plenty of rugby league both on and off the pitch.

From us all here on the board we hope you enjoy your day at the ground whilst viewing some exciting rugby in glorious weather!

Phil Carleton

*Talks about a new start
for Rugby League in
West Wales.*

Good afternoon and welcome to Stebo for this our second home game on the bounce.

As I am typing this the sun is shining and I hope it is now also!

Last week we entertained Donny and while I won't say we were brilliant by any stretch, I certainly think everyone at the game or who has seen it will agree we have definitely improved.

After a very steep learning curve these past few months I would say we are turning a corner. We just need to be careful now we don't skid on the bend!!

Continuously improving little bit by little bit is our aim. Today will be no different for us. We won't try to do anything to different. We will try to do things better though.

Oldham will prove another very tough test but if we can start where we finished last week we won't be far off our goal.

Good luck to both sides and I hope you all enjoy the game.

THE LATEST NEWS FROM WWW.WALESRUGBYLEAGUE.CO.UK

Wales' fixtures for the 2018 European Championship have been revealed as they aim to qualify for the 2021 Rugby League World Cup.

John Kear's men will open their European Championship defence, having won the tournament back in 2015, with a trip to France.

Wales will then travel to Scotland in the second round, before hosting Ireland in their final fixture.

The top two teams in this year's tournament will automatically qualify for the 2021 Rugby League World Cup, which will be hosted in England.

The nations finishing third and fourth will face Italy, the two top teams from Euro B (featuring Russia, Serbia and Spain) and winners of Euro C (comprising six nations) in a competition in October/November 2019, comprising of two pools.

The structure of the European Championship will be as follows:

October 26-28

France v Wales

Ireland v Scotland

November 2-4

Scotland v Wales

Ireland v France

November 9-11

Wales v Ireland

France v Scotland

Finalised dates, times and venues for all three European Championship fixtures will be announced in due course.

New Kids on the Block!

Llanelli Knights are the brand new amateur side set up to replace the West Wales Raiders in the welsh premier league.

The Llanelli Knights will play and train from a Llanelli based location and will also play a few games as curtain raisers to the West Wales Raiders at Stebonheath Park.

Even though the Raiders have set up the Llanelli Knights not all players will play for the knights if not selected for the raiders. To keep the amateur game strong we want all players to return to their local side.

If anyone would like anymore information please contact us on info@raidersrugbyleague.co.uk
